

Professional Assist – the IPA's free technical advice service for members.

The best *P.A.* your business could ever have.

Professional Assist is the IPA's free Online Technical Helpdesk, a unique service that connects you with leading industry specialists who provide expert advice on complex issues that may affect you or your clients.

Available 24/7, Professional Assist provides you with tailored expert advice and guidance on a wide range of business issues, including -

- Accounting Standards and Auditing
- Corporate Governance
- Taxation
- Superannuation
- Corporations Law
- Workplace Law
- Energy

Responses to your queries are provided in writing, and fully covered by Professional Indemnity Insurance – meaning you can rest assured the advice you receive from leading experts can be carried out with full confidence.

Apart from specialist advice, Professional Assist also provides you with -

- A complimentary subscription to an extensive research library, housing thousands of articles and a vault of previously asked questions
- Monthly e-newsletters containing regular updates
- Timely legislative change bulletins

So if you have a challenging business question which you need immediate assistance with, visit the IPA's PA today.
